

Municipal Building, Lodi, California, Feb. 17, 1913.

In regular session of the Board of Trustees of the City of Lodi, the following members of the Board being present: C.A. Black, J.M. Blodgett, F.O. Hale, G.E. Lawrence and C.A. Rich. President Lawrence presiding.

The minutes of the meeting of Feb. 10, 1913, were read and approved.

The following applications for building permits were read granted:

Meehl & Kels, improvement of barn on lot 2 block 14;
Arthur E. Stanley, dwelling on lot 18 block 2, E. Lodi;
G.W. Brower, removal of bldg. to lot 13 block 3 E. Lodi.

A communication from Chief Stark of the Fire Department, recommending that a payment of \$2.50 be made to the party who should first reach the fire house and convey the hose cart to and from a fire, was read, and on motion of Hale, seconded by Black, the recommendation was adopted by unanimous vote.

Various claims for labor, amounting to \$41.00, having been approved by the Finance Committee, were allowed and ordered paid.

The President of the Board and the City Marshal, being the committee to whom was referred the application of James Marlow for a liquor license, reported that upon investigation they had found that the application was irregular, insufficient and not in proper form, and, consequently said committee had no jurisdiction.

Upon motion of Hale, seconded by Black, the report of the committee was accepted as the findings of the Board.

The report of Supt. Henning upon the laying of a drain pipe at the Septic Tank was read.

City Recorder Ereitenbucher reported that a case of violation of Ordinance No. 40, entitled "People vs. Bert W. Varain" was set for trial by jury on Feb. 26, 1913, and asked that a prosecuting attorney be employed. The matter was referred to Street Committee.

Marshal Coleman suggested that the City provide a lock-up in the building back of the Municipal Building.

On motion of Blodgett, seconded by Black, the City Marshal was authorized to go to Sacramento to confer with the Commissioners there regarding the purchase of the steel cells that had been discarded there.

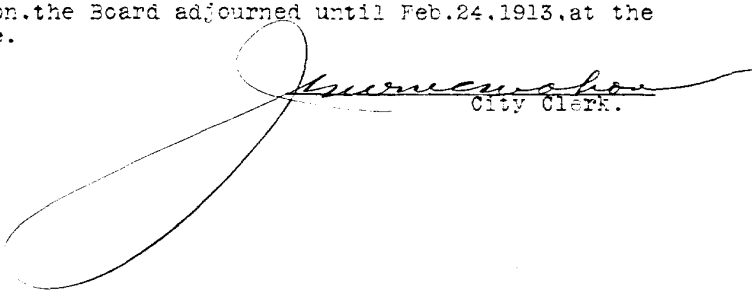

St. Supt. Cloeman reported having tried the new sweeper and found that it worked satisfactorily. He estimated that it would take four men with hands brooms to sweep the streets this summer.

The Public Utilities Committee reported in favor of installing both sewer and water in the northern part of the city and in the Barnhart Tract.

Upon motion of Rich, seconded by Black, the report of the committee was accepted and the work ordered done.

Upon motion, the Board adjourned until Feb. 24, 1913, at the usual hour and place.

Attest:

City Clerk.
